| Approval of agenda | On motion of Blair and seconded by Hilliard that the minutes of November 8, 2005, Commission in Committee Meeting be approved.

Motion carried |
| Councillor Robert Taylor | Councillor Taylor discussed the Municipality of the County of Colchester's infrastructure program, the federal fuel tax program and the upcoming Canada / Nova Scotia Infrastructure Program.

A discussion was held on participation and cooperation between the Municipality and the Village regarding the various infrastructure programs. |
| Proposal call for Pre-Engineering Design Services | On motion of Blair and seconded by Hilliard that the Commission in Committee recommend that the Village Commission award the Pre-Engineering Design Project to CBCL Ltd. In the amount of \$18,243..

Motion carried |
| Sidewalk Snow Removal | It was agreed that the Village would continue with the current practice of calling out the snow removal contractor when sanding was required, rather than giving that authority to the contractor. |
| Exchange of streets for snow removal purposes between Colchester and NSTPW | The Clerk reported on the exchange of streets between NSTPW and the Municipality for snow removal purposes. The streets effected in Bible Hill (snow removal will now be the responsibility of the Municipality) are Village Line, Foresthill, Fenwood, Foxhill and Meadowland. |
